

Turkey Collection 2020

Once again, the holiday season is upon us. As one parish community, here is our opportunity to live our faith and pass on our blessings.

This year, our Parish will be collecting both cooked and frozen turkeys or turkey breasts, and canned goods for the homeless this Thanksgiving. Your home cooking and donations will go to 2 centers in Delaware County: The Life Center in Upper Darby and The Wesley Center in Chester. The Life Center feeds over 300 men and women and the Wesley Center takes care of 1000 women and children. They will also be donated to other families in need.

This is a community endeavor, so PLEASE consider volunteering for this. Please carve a cooked turkey or turkey breast and wrap it in foil. Feel free to cook it early and freeze it. The Life Center is also asking for frozen turkeys and canned goods as well this year.

The turkeys and donations can be brought to the St. Anastasia parking lot in front of the Convent. **Tuesday November 24th** between **8:30-9:30 AM** or between **3:15-4:15 PM** Please maintain social distancing and wear masks for everyone's safety.

If you have any questions, please contact Andrea Crimmins at andream1616@hotmail.com or Darcy Hyde at hydedarcy@me.com.

Thank you for your generosity!
